

BALGAVIES LOCH : from carpark along path around loch.

9th July, 1977

O.S. 1 inch map No. 50. Map Reference : 537509 (end of loch).

Species recorded :

(f = flowering/fertile; o = finished flowering)

RANUNCULACEAE

- Caltha palustris - Marsh Marigold (f)
- Anemone nemorosa - Wood Anemone
- Ranunculus acris - Meadow Buttercup (f)
- R. repens - Creeping Buttercup
- R. flammula - Lesser Spearwort (f)

NYPHAEACEAE

- Nymphaea alba - White Water-lily (f)
- Nuphar lutea - Yellow Water-lily (f)

PAPAVERACEAE

- Papaver dubium - Long-headed Poppy (f)

CRUCIFERAE

- Sinapsis arvensis - Charlock (f)
- Capsella bursa-pastoris - Shepherd's
Purse (f)
- Cardamine hirsuta - Hairy Bitter-cress (f)
- Sisymbrium officinale - Hedge Mustard (f)

VIOLACEAE

- Viola riviniana - Common Violet
- V. tricolor - Wild Pansy (f)

CARYOPHYLLACEAE

- Silene dioica - Red Campion (f)
- S. alba - White Campion (f)
- S. vulgaris - Bladder Campion (f)
- Lychnis flos-cuculi - Ragged Robin (f)
- Cerastium vulgare - Field Mouse-ear
Chickweed (f)
- Stellaria media - Chickweed (f)
- S. holostea - Greater Stitchwort (f)
- S. graminea - Lesser Stitchwort (f)
- Sagina nodosa - Knotted Pearlwort

LINACEAE

- Linum catharticum - Purging Flax (f)

GERANIACEAE

- Geranium robertianum - Herb Robert (f)

PAPILIONACEAE

- Ulex europaeus - Gorse (o)
- Sarothamnus scoparius - Broom (o)
- Medicago lupulina - Black Medick (f)
- Trifolium campestre - Hop Trefoil (f)

PAPILIONACEAE: contd.

- Trifolium repens - White Clover (f)
- T. pratense - Red Clover (f)
- Anthyllis vulneraria - Kidney Vetch (f)
- Lotus corniculatus - Bird's-foot Trefoil (f)
- Vicia hirsuta - Hairy Vetch (f)
- V. cracca - Tufted Vetch (f)
- V. sepium - Bush Vetch (f)
- Lathyrus pratensis - Meadow Vetchling (f)

ROSACEAE

- Filipendula ulmaria - Meadow-sweet
- Rubus idaeus - Raspberry (f)
- R. fruticosus agg. - Bramble (f)
- Potentilla palustris - Marsh Cinquefoil (o)
- P. anserina - Silverweed (f)
- P. erecta - Tormentil (f)
- Geum urbanum - Herb Bennet (f)
- Alchemilla glabra - Lady's Mantle
- Rosa canina agg. - Dog Rose (f)
- Crataegus monogyna - Hawthorn (o)

CRASSULACEAE

- Sedum acre - Biting Stonecrop (f)

GROSSULARIACEAE

- Ribes uva-crispa - Gooseberry

ONAGRACEAE

- Epilobium montanum - Broad-leaved
Willowherb (f)
- Chamaenerion angustifolium - Rose-bay
Willowherb (f)

ARALIACEAE

- Hedera helix - Ivy

HYDROCOTYLACEAE

- Hydrocotyle vulgaris - Marsh Pennywort

UMBELLIFERAE

- Anthriscus sylvestris - Cow Parsley (o)
- Myrrhis odorata - Sweet Cicely (f)
- Conopodium majus - Pignut (f)
- Aegopodium podagraria - Ground Elder
- Heracleum sphondylium - Hogweed (o)

EUPHORBIACEAE

- Mercurialis perennis - Dog's Mercury

BALGAVIES LOCH

9th July, 1977.

POLYGONACEAE

- Polygonum aviculare agg. - Knotgrass (f)
- P. amphibium - Amphibious Bistort (f)
- P. hydropiper - Water-pepper (f)
- Rumex acetosa - Sorrel
- R. crispus - Curled Dock (f)
- R. obtusifolius - Broad-leaved Dock (f)
- R. alpinus - Alpine or Swiss Dock

URTICACEAE

- Urtica dioica - Stinging Nettle

ULMACEAE

- Ulmus glabra - Wych Elm

BETULACEAE

- Betula pendula - Silver Birch
- B. pubescens - Birch
- Alnus glutinosa - Alder

CORYLACEAE

- Corylus avellana - Hazel

FACACEAE

- Fagus sylvatica - Beech
- Quercus robur - Pendunculate Oak

SALICACEAE

- Salix cinerea - Common Sallow

PRIMULACEAE

- Lysimachia thyrsiflora - Tufted Loosestrife (f)

OLEACEAE

- Fraxinus excelsior - Ash

APOCYNACEAE

- Vinca Minor - Lesser Periwinkle (f)

MENYANTHACEAE

- Menyanthes trifoliata - Bogbean

BORAGINACEAE

- Myosotis caespitosa - Lesser Water Forget-me-not (f)
- M. arvensis - Common Forget-me-not (f)
- Echium vulgare - Viper's Bugloss (f)

CONVOLVULACEAE

- Calystegia sepium - Bellbine

SCROPHULARIACEAE

- Mimulus guttatus - Monkey-flower (f)
- Digitalis purpurea - Foxglove (f)
- Veronica beccabunga - Brooklime (f)
- V. officinalis - Common Speedwell
- V. chamaedrys - Germander Speedwell
- V. serpyllifolia - Thyme-leaved Speedwell
- Rhinanthus minor agg. - Yellow-rattle (f)
- Euphrasia officinalis agg. - Eyebright (f)

LABIATAE

- Mentha aquatica - Water Mint
- Thymus drucei - Wild Thyme (f)
- Prunella vulgaris - Self-heal (f)
- Galeopsis tetrahit agg. - Common Hemp-nettle (f)
- Glechoma hederacea - Ground Ivy

PLANTAGINACEAE

- Plantago major - Common Plantain (f)
- P. lanceolata - Ribwort Plantain (f)

CAMPANULACEAE

- Campanula rotundifolia - Harebell

RUBIACEAE

- Galium verum - Lady's Bedstraw (f)
- G. saxatile - Heath Bedstraw (f)

CAPRIFOLIACEAE

- Sambucus nigra - Elder

VALERIANACEAE

- Valeriana officinalis - Valerian (f)

DIPSACACEAE

- Knautia arvensis - Field Scabious

COMPOSITAE

- Senecio jacobaea - Ragwort (f)
- Tussilago farfara - Coltsfoot
- Bellis perennis - Daisy (f)
- Achillea millefolium - Yarrow
- Tripleurospermum maritimum - Scentless Mayweed
- Chrysanthemum leucanthemum - Ox-eye Daisy
- Cirsium vulgare - Spear Thistle (f)
- C. palustre - Marsh Thistle (f)
- Centaurea nigra - Hardhead
- Lapsana communis - Nipplewort (f)
- Hieracium sp. - Hawkweed (f)
- Taraxacum officinale - Common Dandelion (f)

BALGAVIES LOCH

9th July, 1977.

ALISMATACEAE

Alisma plantago-aquatica - Water Plantain (f)

JUNCACEAE

Juncus bufonius - Toad-rush (f)

J. conglomeratus - Common Rush (f)

J. acutiflorus - Sharp-flowered Rush (f)

IRIDACEAE

Iris pseudacorus - Yellow Flag (f)

SPAGANIACEAE

Sparganium erectum - Bur-reed (f)

CYPERACEAE

Eleocharis palustris - Common Spike-rush (f)

Carex rostrata - Bottle Sedge (f)

C. nigra - Common Sedge (f)

C. ovalis - Oval Sedge (f)

GRAMINEAE

Phragmites communis - Reed (f)

Festuca pratensis - Meadow Fescue (f)

F. rubra - Red Fescue

Lolium perenne - Rye-grass (f)

Poa annua - Annual Meadow-grass (f)

P. pratensis - Smooth Meadow-grass (f)

Dactylis glomerata - Cock's-foot (f)

Cynosurus cristatus - Crested Dog's-tail (f)

Agropyron caninum - Bearded Couch-grass (f)

Arrhenatherum elatius - False Oat-grass (f)

Holcus lanatus - Yorkshire Fog (f)

H. mollis - Creeping Soft-grass (f)

Deschampsia caespitosa - Tufted Hair-grass (f)

Agrostis tenuis - Common Bent-grass (f)

Phleum pratense - Timothy Grass (f)

Anthoxanthum odoratum - Sweet Vernal-grass

Phalaris arundinacea - Reed Canary-grass

CONIFERS (GYMNOSPERMS)

Larix decidua - European Larch

FERNS and their ALLIES (PTERIDOPHYTES)

Equisetum arvense - Common Horsetail

Dryopteris dilatata - Broad Buckler-fern
